Tax Collectors shall cause to be compiled like records of taxes delinquent due any district for which they collect from tax rolls other than the State and county rolls, and when approved by the governing body of the particular district, the cost of same shall be allowed in the manner herein provided. [Acts 1935, 44th Leg., p. 355, ch. 128.]

Art. 7337. [7693] Cities may avail.—Any incorporated city or town or school district shall have the right to enforce the collection of delinquent taxes due it under the provisions of this chapter. [Acts 1897, p. 132; G. L. vol. 10, p. 1186.]

Art. 7338. [7694] Exemptions from this chapter.—Real estate which may have been rendered for taxes and paid under erroneous description given in assessment rolls, or lands that may have been duly assessed and taxes paid on one assessment, or lands which may have been assessed and taxes paid thereon in a county other than the one in which they are lo-

cated, or lands which may have been sold to the State and upon which taxes have been paid and through error not credited in the assessment rolls, shall not be deemed subject to the provisions of this chapter. When called upon, the Land Commissioner shall furnish the county judge of any county compiling its own delinquent tax record with such information as may enable him to determine the validity or locality of such surveys and grants as have not been shown by the printed abstracts of the Land Office. [Id.]

Art. 7339. [7695] May redeem before sale.—Any delinquent taxpayer whose lands have been returned delinquent or reported sold to the State for taxes due thereon, or any one having an interest therein, may redeem the same at any time before his lands are sold under the provisions of this chapter, by paying to the collector the taxes due thereon since January first, 1885, with interest at the rate of six per cent per annum and all costs and the penalty of ten per cent. [Id.]

Art. 7340. [7696-97] May redeem from State.—Where lands or lots shall hereafter be sold to the State or to any city or town for taxes under decree of court in any suit or suits brought for the collection of taxes thereon or by a collector of taxes, or otherwise, the owner or any one having an interest in such lands or lots shall have the right at any time within two years from the date of sale to redeem the same upon payment of the amount of taxes for which sale was made, together with all costs and penalties required by law, and also payment of all taxes, interest, penalties and costs on or against said land or lots at the time of the redemption. [Acts 1897, p. 132, sec. 14; Acts 1905, p. 323; Acts 1907, p. 282; Acts 2nd C. S. 1909, p. 400; Acts 1st C. S. 1913, p. 25; Acts 1st C. S. 1915, p. 58; Acts 4th C. S. 1918, p. 155; Acts 3rd C. S. 1920, p. 103.]

Art. 7341. [7701] Evidence of title to redeem land.—In all cases where lands in this State have been or may be sold for taxes, and the owner of the land, at the time of such sale, shall desire to redeem the same, under the provisions of the Constitution, or of laws enacted on that subject, it shall be sufficient to entitle such owner to redeem from the purchaser or purchasers thereof for him to have had a paper title to such land, or to have been in possession of such land in person or by tenant, at the time of the institution of the suit under which sale was made, or when such sale was made; and the existence of such facts and conditions shall be sufficient prima facie evidence of ownership to entitle the party so claiming ownership to the right to redeem such land; and he shall not be required to deraign title from the sovereignty, or shall any hiatus or defect in his chain of title defeat the offered redemption. Nothing herein shall be held to limit the right of one offering to redeem to prove ownership otherwise than herein provided, nor prevent any one having the superior title from redeeming such land within two years from the date of the tax sale by paying to the person who has previously redeemed such lands the amounts provided by law. [Acts 1905, p. 118.]

Art. 7342. [7698] Unknown or non-resident.—Whenever the owner or owners of any lands or lots that have been or may be returned delinquent or reported sold to the State for the taxes due thereon for any year or number of years, are non-residents of the State, or the name of the owner or owners of said lands or lots be unknown, then, upon affidavit of the attorney for the State setting out that the owner or owners are non-residents, or that the owner or owners are unknown to the attorney for the State and after inquiry cannot be ascertained, said parties shall be cited and made parties defendant by notice in the name of the State and county, directed to "all persons owning or having or claiming any interest in the following described land delinquent to the State of Texas and county of ———, for taxes, to-wit: (here set out

description of the land as contained on the assessment roll and such further description obtainable in the petition), and further stating "which said land is delinquent for taxes for the following amounts, \$——— for States taxes, and \$——— for county taxes and you are hereby notified that suit has been brought by the State for the collection of said taxes, and you are commanded to appear and defend such suit at the ——— term of the district court of ——— County, and State of Texas, and show cause why judgment shall not be rendered condemning said land (or lot), and ordering sale and foreclosure thereof for said taxes and costs of suit," which notice shall be signed by the clerk and shall be published in some newspaper published in said county one time a week for three consecutive weeks. If there is no newspaper published in the county, then notice may be given by publication in a paper in an adjoining county. A maximum fee of two and one-half cents per line (seven words to count a line) for each insertion may be taxed for publishing said citation. If the publication of such citation cannot be had for such fee, then publication of the citation herein provided may be made by posting a copy at three different places in the county, one of which shall be at the courthouse door. It shall be lawful in all cases to set forth in the petition the names of all parties interested as far as ascertained, and make them parties, and also to join and make defendants all persons having or claiming any legal or equitable interest in the land described in the petition. Such suit, after such publication, shall be proceeded with as in other cases; and whether any party or parties make defense or not on the trial of said case, the State and county shall be entitled to prove the amount of taxes due, and shall have a decree for the sale of said land or lot as in those cases where defendant owners have been personally served and defend suit. A sale of said land or lot shall be had and be as binding as where defendants are personally served with process. In all suits for taxes due, the defendant shall be entitled to credits he can show due him for any year, or number of years for which he may be able to produce receipts or other positive proof showing the payment of such taxes. [Acts 1897, p. 138; G. L. vol. 10, p. 1102.]

Art. 7343. [7699] Similar proceedings by cities and independent school districts.—In any incorporated city or town in which any tracts, lots, outlots or blocks of land, situated within the corporate limits of said city or town have been returned delinquent, or reported sold to said city or town for the taxes due thereon, the governing body may prepare or cause to be prepared lists of delinquents in the same manner as provided in this chapter, and such lists shall be certified to as correct by the mayor of said city or town, if any, and if said city or town has no mayor, by the presiding officer of the governing body. After said lists have been properly certified to, the governing body of the city may cause lists of delinquents to be published in a newspaper as provided for State and county delinquent taxes in this law. When twenty days from the date of last publication of said list or lists of delinquents has elapsed, the governing body of the city or town may direct the city attorney to file suits for collection of said taxes, or said governing body may employ some other attorney of the county to file suits and the city attorney or other attorney filing said suits shall be entitled to the same fees as allowed the county attorney or district attorney in suits for collection of State and county taxes, to be taxed as costs in the suit. Independent school districts may collect their delinquent taxes as above provided for cities and towns, the school board performing the duties above described for the governing body of cities, and the president of the school board performing the duties above prescribed for the mayor or other presiding officer. The school board may, when the delinquent tax lists and records are properly prepared and ready for suits to be filed, in-

struct the county attorney to file said suits. If the school board instructs the county attorney to file said suits and he fails or refuses to do so within sixty days the school board may employ some other attorney of the county to file suit. The county attorney, or other attorney, filing tax suits for independent school districts, shall be entitled to the same fees as provided by law in suits for State and county taxes. No other county officer shall receive any fees unless services are actually performed, and in that event he shall only receive such fees as are now allowed him by law for similar services in civil suits. The employment of an attorney to file suit for taxes for cities, towns or independent school districts shall authorize said attorney to file said suits, swear to the petitions and perform such other acts as are necessary in the collection of said taxes.

All laws of this State for the purpose of collecting delinquent State and county taxes are by this law made available for, and when invoked shall be applied to, the collection of delinquent taxes of cities and towns and independent school districts in so far as such laws are applicable. [Id.; Acts 3rd C. S. 1920, p. 48; Acts 2nd C. S. 1923, p. 39.]

Art. 7344. [7700] Land platted and numbered.—In counties in which the subdivisions of surveys are not regularly numbered, and in cities or towns in which the blocks or subdivisions are not numbered, or are so irregularly numbered as to make it difficult or impossible for the assessor to list the same, the commissioners court of such counties may have all the blocks and subdivisions of surveys platted and numbered so as to identify each lot or tract, and furnish the assessor with maps showing such numbering; and an assessment of any property by such numbering on said maps shall be sufficient description thereof for all purposes. Such maps or a certified copy of same or any part thereof, shall be admissible as evidence in all courts. The cost of making said survey and plats shall be defrayed by the county in which said property is situated, and of which said commissioners court ordered the said surveys and plat made and the cost of any map of a town or city shall be paid by such city or town when ordered by the town or city. [Acts 1897, p. 139; G. L. vol. 10, p. 1193.]

Records

Sec. 4. Such written request and certificate thereon shall, upon presentation to the County Clerk for the recording thereof, and payment of recording fee, be filed and recorded in the Deed Records of the county, or counties, in which said real estate is situated, and thereafter shall be a public record the same as if said instrument were a deed.

Sec. 5. It shall be unlawful for any person or company paying such taxes and taking such lien to charge a greater amount of interest upon the taxes, or taxes, penalty and interest and costs paid, than eight (8%) per cent per annum, and the collecting of any greater rate of interest shall be deemed usury, for which the person paying the same shall have all the rights and remedies provided in the Statutes in the case of usury.

properties, they may, at any meeting of the court, order a list of such properties to be made in triplicate and fix a compensation therefor; the said list to show a complete description of such properties and for what years such properties were omitted from the tax rolls, or for what years the assessments are found to be invalid and should be canceled and re-assessed, or to have been declared invalid and thereby canceled by any district court in a suit to enforce the collection of taxes. No re-assessment of any property shall be held against any innocent purchaser of the same if the tax records of any county fail to show any assessment (for any year so re-assessed) by which said property can be identified and that the taxes are unpaid. The above exception, with the same limitation, shall also apply as to all past judgments of district courts canceling invalid assessments. [Acts 1905, p. 318.]

Art. 7347. [7703] Property listed assessed.—When said list has been so made up the commissioners court may, at any meeting, order a cancellation of such properties in said list that are shown to have been previously assessed, but which assessments are found to be invalid and have not been canceled by any former order of the commissioners court, or by decree of any district court; and shall then refer such list of properties to be assessed or re-assessed to the tax assessor who shall proceed at once to make an assessment of all said properties, from the data given by said list (the certificate of the Comptroller as to assessments or re-assessments made by the tax assessor shall not be necessary a required under Article 7207, but he shall furnish all blank forms needed, that uniformity may be had in all counties), and when completed shall submit the same to the commissioners court, who shall pass upon the valuations fixed by him; and, when approved as to the values, shall cause the taxes to be computed and extended at the tax rate in effect for each separate year mentioned in said list; and, in addition thereto, shall cause to be added a penalty equal in amount to what would be six per cent interest to the date of making said list from the date such properties would have been delinquent had same been properly rendered by the owner thereof at the time and for the years stated in said list; provided, that the certificate of any tax collector given during his term of office that all taxes have been paid to the date of such certificate on any certain piece of property, which is fully described in such certificate, or if the tax rolls of any county fail to show any assessments against such property sufficient to identify it, and that the same was unpaid at the dates such rolls may have been examined to ascertain the condition of any property as to taxes unpaid, this shall be a bar to any re-assessment of such property under this law for any years prior to the date of such certificate, or such examinations; provided, that the property referred to, when re-assessed, shall be held by an innocent purchaser, who has relied upon the correctness of such certificate, or the tax rolls heretofore referred to. [Id.]

Art. 7348. [7704] List to operate a lien.—The said list, when complete in all respects, and filed with the tax collector, shall constitute a valid lien against all the properties mentioned in said list for the full amount of taxes, penalties, officers costs, advertising and six per cent interest from the date of said list to the date of the payment of the full sum due on each separate piece of property. A copy of said list and all cancellation orders shall be furnished to the Comptroller, and a copy filed with the county clerk. [Id.]

Art. 7349. [7705] To be advertised.—The commissioners court shall proceed to have such list of properties advertised in the manner provided in Article 7323 after which, suit may be filed in the same manner as provided by law for the enforced collection of delinquent taxes. [Id.]

Art. 7350. [7706] Assessments reduced.—In all cases of delinquent taxes of unrendered and unknown property, where there appears to be an assessment of the same at a valuation excessive and unreasonable, the commissioners court shall be authorized to correct or reduce such values on the request of the tax collector with a full statement of the facts in each case; which statement and the action had thereon and the name of each commissioner voting for or against the reduction in valuation asked for shall be entered upon the minutes of the court; and a certified copy of the action had thereon shall be furnished to the Comptroller, and, when the values are so corrected or reduced, payment of taxes shall be accepted in accordance with such reduction, to which shall be added interest, penalty, advertising and costs as provided by law. [Id.]

Art. 7351. [7708] Bulk assessments validated.—In all suits to enforce the collection of delinquent taxes, where the assessment of any property for any year is invalidated by reason of the failure of the assessor to comply with the provisions of law for the description of any lot, block or tract of land, or to give a separate value on each lot, block or tract of land, known as "bulk assessments" or to enter upon the lists (similar to that used for the listing of rendered property, to be signed by the owner) all items of property assessed to unknown owners, all such assessments are hereby validated and given the same force and effect as if the descriptions, the separate valuations and the listing were in all respects strictly in compliance with law; provided, as to description, that the descriptions given are sufficient to identify the property, as to separate values, that the valuations and the taxes shown upon the tax rolls (in what are called "bulk assessments") can be fairly prorated to each separate lot, block or tract of land; and, as to listing, that the valuation given on the tax rolls upon properties assessed as unknown are found to have been entered upon the assessor's block book as the original assessment, instead of listing as in rendered assessments, and then entering upon the tax rolls. [Id.]

Art. 7352. [7709] Delinquent tax record published.—The various counties which have not heretofore made and published a delinquent tax record, under provisions of chapter 103, acts of the regular session of the twenty-fifth legislature, are hereby authorized and it shall be their duty to make and publish the same to date hereof, and, when so done, it shall have the same force and effect as if made and published under that Act; and any county which has heretofore made a delinquent tax record for any number of years is hereby authorized and empowered to re-compile the same to date hereof, and may compile each year thereafter under the provisions of said act. [Id.]

Art. 7353. [7710] Property listed by Comptroller.—Whenever it shall appear to the Comptroller from an inspection of the tax rolls of any county or otherwise, that any lands in such county subject to taxation have not been assessed for taxation for any year since and including the year 1900, he shall make a list of such lands and send the same to the tax assessor of such county by registered letter, accompanying such list with instructions to such tax assessor to assess such lands for taxes for the years for which they have not been assessed as shown by said list. [Acts 1905, p. 321.]

Art. 7354. [7711] List to be posted.—Upon receipt of such list, the tax assessor shall immediately post a copy of such notice and list at the court house door of his county, noting upon such copy the date of such posting; and the owners of the lands embraced in such list shall have the right, at any time within twenty days of such posting, to render the same to the tax assessor for the taxes for the years for which they have not been assessed for taxes, or for any of such years as shown by such notice, in the same manner as is provided for the rendition of

other property for taxes under the provisions of the general laws for that purpose. [Id.]

Art. 7355. [7712] Unrendered lands assessed.—Should any of the said lands remain unrendered by the owners or owner thereof, under the provisions of the preceding article for any of the years for which the same have not been assessed according to said notice and lists, for twenty days after the date of the posting of such notice, it shall be the duty of the tax assessor, immediately upon expiration of such time, to assess for taxes at their true value such lands so remaining unrendered and unassessed for each of the years since and including the year 1900, and including the year such lists are made up by the Comptroller, listing the same in the name of unknown owners, and charging up to said lands the taxes, State and county, for which they are liable for each of such years, valuing such lands at their true and full value as provided in Article 7174. If any of said lands are lands purchased from the State as belonging to the school fund, the University, or any of the asylums of the State, and held under such contract of purchase upon which a part of the purchase money is still due, such lands being unpatented, no deduction shall be made in the value of said lands for, or on account of, such unpaid purchase money, but they shall be valued at their full and true value as though paid out and patented. [Id.]

Art. 7356. [7713] Duty of commissioners court.—The tax assessor shall make up lists showing such assessments, and deliver the same to the county judge, who shall at once, unless a regular session is held within ten days thereafter, call a meeting of the commissioners court in special session, as a board of equalization for the purpose of passing upon said assessment lists in the manner provided in case of regular assessments in so far as the provisions of the statute with regard thereto are applicable. The commissioners court without delay shall act upon said supplemented assessment lists, as to the value of the property embraced, and, when said values have been equalized as required by law, approve the same, and approve the rolls made up by the tax assessor in accordance therewith; provided, that the commissioners court shall have no authority to alter said assessment lists, or in any way interfere with such assessments, except as to the values of property embraced therein, in equalizing the same as provided by law, and to strike therefrom any lands that have been already assessed for taxes at their true market value for the years for which they are assessed on said supplemental rolls and such taxes paid. [Id.]

Art. 7357. [7714] Supplemental tax rolls.—After such supplemental assessment lists have been passed upon by the board of equalization as herein provided, supplemental tax rolls shall be prepared by the tax assessor and approved by the commissioners court as is required by law in case of the regular assessment for taxes; and thereafter the taxes due according to such supplemental rolls shall be collected as in case of other taxes, and, if not paid, such proceedings shall be had for their collection as in case of other taxes. [Id.]

The property in said city, town or village utilizing such county assessor and collector shall be assessed at the same value as
